

Adobe Creative Cloud K-12 licensing overview

for U.S. districts with 2,500 students or less

Flexible licensing options for primary and secondary schools and districts.

Bring Adobe Creative Cloud to your school or district with affordable, easy-to-manage licensing options available through the Adobe Value Incentive Plan (VIP). You'll enhance teaching and learning while helping students develop essential digital skills for college and career success. And now U.S. districts with a total enrollment of 2,500 students or less can enjoy a reduced, minimum purchase of only 500 licenses.

Benefits include:

Universal access for all ages

Give your students, teachers, and staff access to the latest industry-leading creative software so they can design, share, and publish compelling content across all media and devices. Students under the age of 13 can have their own Creative Cloud accounts provided that your school deploys in accordance with COPPA and other legislation.

Budget predictability

A low-cost, flat-fee, single-license purchase with one annual or multiyear contract for devices owned or leased by the school, and users attending or working for the school.

Flexible deployment and management

Designed for an individual school or district, licensing options include a web-based Admin Console that makes it easy to centrally manage and deploy licenses.

Access for in-person, hybrid, and distance learning classes

With named-user licenses, schools can give a student or teacher access to Creative Cloud on any device they use, including personal devices at home. This enables access to essential digital tools whether classes are in-person or remote. Schools can also purchase shared device licenses to allow access to Creative Cloud apps on a given device in the lab or classroom.

Free instructional and distance learning resources to help engage students

The Adobe Education Exchange <https://edex.adobe.com> offers free professional development and peer-to-peer collaboration, plus Common Core and NGSS-aligned lessons for general education classes using Adobe's creative tools. And as schools continue distance learning or hybrid classes, we are here to assist you. Check out free lesson plans, courses, blog posts, and webinars from Adobe and our partners. <https://edex.adobe.com/distance-learning>

Licensing options:

Creative Cloud for enterprise All Apps for K-12

Named-user licenses

- Complete set of Creative Cloud applications and services (age-appropriate only)
- Licenses for each student, faculty, and/or staff member
- Scalable deployment for a school site or district
- Flexible license terms from 1–4 years
- US\$5 per license per year with minimum purchase of 500 licenses per school site or per district for qualifying new U.S. customers.**

Creative Cloud desktop apps

Shared device licenses*

- Complete set of Creative Cloud desktop applications (limited services)
- Licenses for each computer, rather than each user (ideal for labs)
- Scalable deployment for a school site or district
- Flexible license terms from 1–4 years
- US\$25 per license per year with minimum purchase of 100 licenses per school site and 500 per district**

Creative Cloud for education institutions[†]

Give your students, teachers, and staff the digital tools to create amazing work.

	Component	Use	Creative Cloud named-user license	Creative Cloud shared device license
	Desktop apps			
Photography and design	Adobe Photoshop	Edit and composite images, use 3D tools, edit video, and create digital paintings.	•	•
	Adobe Photoshop Lightroom	Easily edit, organize, store, and share photos from anywhere.	•	•

[†] Internet connection required. Syncing functionality requires a separate download and agreement to additional terms. The applications are not available in all countries or languages, may require user registration, and may be subject to change or discontinuation without notice. Additional fees or membership charges may apply.

^{††} Adobe Fresco is available on all iPads running iOS 12.4, but we recommend an iPad Pro compatible with Apple Pencil. Limited release on Windows 10 restricted to Surface Pro, Surface Book, Surface Studio, and Wacom Mobile Studio Pro. View system requirements at <https://helpx.adobe.com/fresco/system-requirements.html>

* K-12 District License available to qualifying accredited primary and secondary or K-12 school legal entities (i.e. school districts). A legal entity may purchase and use district licenses across qualified primary and secondary school sites within the legal entity/school district and for use in administrative offices and/or a fully-owned educational training center used to educate active faculty and staff and/or enrolled primary and secondary school students.

Legal entity refers to an organization that has responsibility for the procurement and contract management of multiple individual primary and/or secondary schools, for example, a district, county, state, or government agency.

** Minimum order quantities vary by region.
