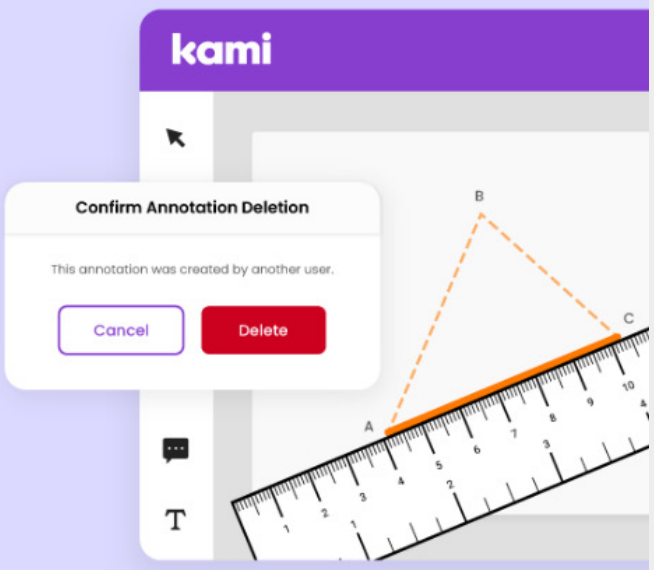
kami

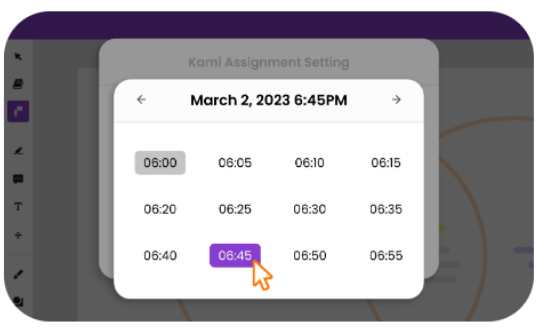
What's New in Kami



Our latest updates give you and your students more control. You can now edit the due date on Assessment Mode and delete collaborator's annotations! We've also improved the accuracy of Drawing tools and fixed Schoology Clever SSO with Kami.

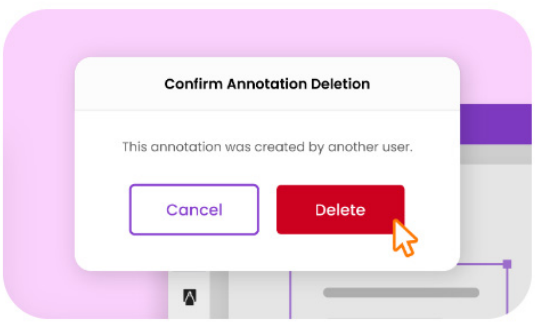
See updates

Here's a sneak peek



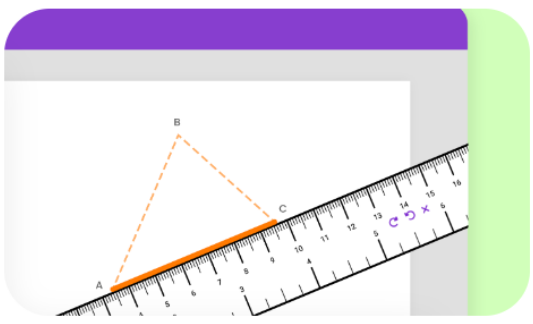
Assessment Mode updates

You can now edit the due date for Schoology and Canvas assignments.



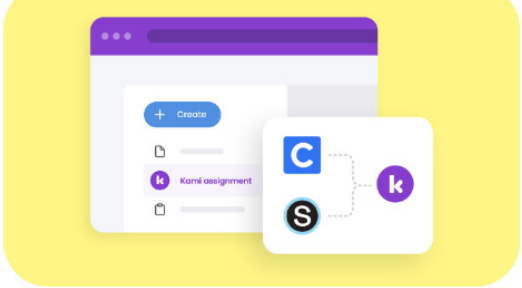
Delete collaborator's annotations

Remove students' annotations to keep classroom collaboration on track.



Drawing tool improvements

We've improved the usability of the Ruler and Protractor tools.



Schoology: Clever SSO support

Kami now works with Clever single sign-on for Schoology.

Accessibility with Kami

Kami is aligned to WCAG 2.0.
