FUTURE READY SCHOOLS®

CREATING A CULTURE OF EXCELLENCE AND INNOVATION

Wednesday, November 1, 2023

Killington, VT

*This forum is a pre-conference session for the annual Vermont Fest.

The Future Ready Schools® (FRS) Leadership Forum is a one-day personalized professional learning event designed to help innovative educators (district leaders, principals, instructional leaders/coaches, librarians) learn how to lead and support a culture of excellence and innovation in their school/district.

Join like-minded education leaders to learn and grow through an interactive professional learning agenda that will spark ideas and actions for weaving digital innovation into practice.

LEADERSHIP & LEARNING OBJECTIVES

- Build a network with like-minded educators who support empowerment and leadership
- Begin to shift professional practices to support innovation across the curriculum
- Leverage new and compelling practices to shift instructional practices
- Understand the latest research and emerging practices that support digital learning innovation
- Engage in honest and authentic conversations around successes, roadblocks, and hurdles
- Create a personalized action plan to make change happen
